96-97	NC
98-99	GND
100-102	NC

Technical parameters:

- COVER LENS Tempered glass;
- FPC interface cable COB all out PIN Interface;
- PCB IC: ILITEK2302M, touch the channel: TX33\*RX58;
- Interface PIN is 0.3\*102;
- For the surface hardness 6H;
- Light Transmission more than 87%;
- Not specified tolerances ±0.2mm;
- Products comply with RoHS standard.

Every piece of TP with a small PCB board delivery scale(3: 1)
